Healthcare Works

A regional partnership addressing workforce needs in healthcare

www.healthcareworkpartnership.org

About Us

The Healthcare Works Partnership was established to develop a regional and coordinated approach to addressing the pressing need for qualified healthcare workers. We are industry driven and comprised of the region's largest hospitals and healthcare employers. Other stakeholders include, higher education, K-12, Area Health Education Centers and Workforce Development Boards.

Our Goals

- Create collaborative initiatives which increase the supply of highly skilled healthcare workers.
- Serve as a platform for identifying and sharing recruitment and retention best practices.
- Be a collective voice for influencing systemic change within the healthcare industry in our region.

Be a Partner

Being a partner in Healthcare Works will benefit your organization in many ways.

- Build beneficial business relationships through networking opportunities.
- Gain access to expertise in healthcare recruitment, retention, education and training.
- Utilize leveraged resources and programs to increase your pipeline for high demand healthcare occupations.
- Receive direct access to nationally recognized workforce development best practices.
- Influence decisions affecting the allocation of healthcare education and training resources.
